Louisa,

This is in response to your request for confirmation that the Excel Spreadsheet provided to you on April 5, 2019 is Plaintiffs answer to Interrogatory 4 to Plaintiff Hunt. According to the information I have, that is a complete list of the mailings regarding the Hunt Lawsuit. Some of those mailings came back as undeliverable but I understand that that list is complete. It is further my understanding that none of these people received a second mailing of any kind. Furthermore, none of the Plaintiffs made any mailings of their own and none have retained the letters themselves beyond what has already been produced or if they did they cannot find them at this time.

I am also including copies of the actual letters sent to the Plaintiffs bates stamped as you requested. We have no record of these letters being sent to Jeremy Hunt or David Martin.

George and Francisca,

Following up on the below questions for the last time--(a) seeking confirmation that the Excel spreadsheet produced in the first email of this chain is Plaintiff Hunt's answer to Interrogatory No. 4 and constitutes a complete list of all to whom advertisements about the Hunt lawsuit were sent by the Nicholl Law Firm or plaintiffs; and (b) seeking a bates labeled production of all such communications sent by or on plaintiffs' behalf in response to Document Request No. 1 served on each plaintiff.

George and Francisca,  
I have never received a response to the below email, and I have never received any of the various communications requested by Document Request No. 1 to each of the four named plaintiffs and that the court ordered produced. Please answer the below question and produce all documents and communications response to Document Request No. 1 by Tuesday. We do not want to have to go back to the court on this.

Thank you. Is this in answer to Interrogatory No. 4 to Plaintiff Hunt? If so, is this everything responsive to Interrogatory No. 4? Please also produce the various communications requested by Document Request No. 1 to each plaintiff as well. Thank you.
